Re: Case Number HM21-00001
Subject Property: 10649 WHITE RD, YOUNGSTOWN, FL
Property ID Number: 03626-015-000

Dear Property Owner:

The above-reference property has been identified as having significant damage from Hurricane Michael, and is in need of repair. At our last inspection on May 14, 2021 by our Division has determined this property is in violation of Bay County Code Section 17-2 - Prohibitions in the form of unfit/unsafe mobile home structure, debris, overgrowth, one accessory and vehicles.

The following action must be taken to correct the above stated violation(s):

- 1. The unsafe conditions of the mobile/manufactured home must be corrected. The repair and remodeling of mobile/manufactured homes requires materials and design equivalent to the original construction. A detailed action plan and scope of work consistent with the mobile home manufacturer's specifications will be required before building permits may be obtained and work can begin.
2. Alternatively, the mobile home and accessory structure may be demolished, and all debris removed from the property. A demolition permit must be obtained from Bay County Builders Services prior to beginning work.
3. All trash and debris must be removed from the property and disposed of lawfully.
4. All overgrown grass or weeds must be cut or mowed.
5. Derelict vehicles must be stored in an enclosed structure, made operable with current registration, or removed from the property.

This correspondence will serve as official notification that the above stated violations must be corrected before June 15, 2021.

This case is scheduled to be presented to a special magistrate at the hearing on June 16, 2021, at 1:00 PM, at the Bay County Government Center located at 840 W. 11th St., Panama City, Florida. If found in violation, the Magistrate may order that the violations be corrected. Fines, liens or special assessments may be placed on the property for non-compliance and/or the costs of abatement, repair or demolition by the County.

ROBERT CLARKSON
