

Each year the Office of Human Resources provides a period for Open Enrollment that allows for any insurance changes, new enrollments or cancellations for the coming year. This includes your health, dental, vision, life and long term disability insurance, as well as other things such as your Flexible Spending Account, Health Savings Accounts, Deferred Compensation, etc.

Our **Open Enrollment** for the 2022 calendar year will take place from **Monday, October 11 through Monday, October 25, 2021**. We hope you were able to attend the “**Know Your Benefits**” meetings held in September prior to the Open Enrollment period so you are prepared to file your required paperwork during the designated window. Open Enrollment forms are available on our website by clicking on this link <http://baycountyfl.gov/279/Insurance>. You can also find a Summary of Benefits for our 2022 Health Care Plan, as well as information on other coverages.

If you want to check your current payroll deductions for benefits, you should go to your employee portal in the Employee Access Center by clicking on this link <https://plus-ol.aspgov.com/bac/EAC5brd/Login.aspx>.

After Open Enrollment closes, changes must comply with established procedures and/or law for each program.
